Phosphorus	0.50%
Sodium	0.60%
Vitamin A	6500 I.U./kg
Vitamin D3	1200 I.U./kg
Vitamin E	100 I.U./kg
Selenium	0.30 ppm

Directions for use

Simplici-T Fibra is recommended for the maintenance or active pleasure horse. Feed at 0.5 to 1.5 kg per 100 kg of Body Weight. Feed according to amount of work performed, forage quality and the horse's body condition. Feed in conjunction with water and a minimum of 1% body weight (on a dry matter basis) of a long stemmed forage (hay/pasture). Provide free choice salt. Daily ration should be divided into 2 preferably 3 separate feedings.

Pelleted feed for the maintenance or pleasure horse, ideal for boarding stables and riding schools.

Simplici-T Fibra is formulated with certified quality ingredients and is manufactured exclusively in our specialized and drug-free facility in Strathroy, Ontario.

Characteristics

CHARACTERISTICS	ADVANTAGES
Calorie sources are primarily derived from fibre and vegetable fat	<ul style="list-style-type: none">Reduces the amount of starch in the diet and helps prevent excitability issues.
Pelleted feed	<ul style="list-style-type: none">Prevents sorting for more constant nutrition.Facilitates storage in winter and summer.

Multi-Attributes	Wheat shorts
Flavour/Binder	

* Ingredients are not in order of their inclusion rate.

1. Purina recommends that you have your hay analyzed and balance your ration accordingly.
2. If your horse rapidly consumes this feed and/or if hydration status of your horse is questionable, we recommend adding water to this feed or using other measures to ensure an appropriate rate of intake.
3. Do not provide more than 0.5% of Body Weight of this feed at one time.
4. Provide a source of fresh, clean water at all times.
5. Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or Purina sales consultant.

Caution

Directions for use must be carefully followed.

Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
