* Ingredients are not in order of their inclusion rate.

1. Purina recommends that you have your hay analyzed and balance your ration accordingly.
2. Do not provide more than 0.5% of Body Weight of this feed at one time.
3. Provide a source of fresh, clean water at all times.
4. Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or Purina sales consultant.

Caution

Directions for use must be carefully followed.

Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
